Prospering with Integrity (Exodus 20:15)

"You shall not steal."

Prospering with Integrity: God wants us to rely on Him for the things we have and the things we don't have. Our goals of prosperity cannot be placed before God. Here are three truths that will keep us on the right track.

1. Make a determination to *Worship* God. (John 4:4)
 - Determine to do what is right in God's sight.
 - Examine our worship.
2. Make a determination to *Trust* God. (John 16:33)
 - Where do we turn when it gets tough? (Luke 8:22-25)
 - Jesus desires for us to trust in Him. He can see the whole picture. (Proverbs 3:5-6)
3. Make a determination to *Cling* to God. (Joshua 23:8-10)
 - A relationship with God enables us to worship Him when it is not popular.
 - A relationship with God enables us to trust Him in life's storms.
 - (Jeremiah 20:9) We are the only Jesus some people ever get to see. We have to be willing to examine ourselves and our comfort zones.
