**TEN THINGS EVERY PERSON SHOULD  
KNOW ABOUT HELL!**

(Luke 16:19-31)

1. We will all live forever somewhere. Immortality is not a choice. (22-23)
2. The person in hell is fully alive, conscious, and aware of his surroundings. (23-24)
3. The person in hell is aware of what he is missing in heaven. (23)
4. The person in hell is alone, while those in heaven are not. (23)
5. The person in hell experiences constant torture. (23)
6. The person in hell experiences constant grief and sorrow. (24)
7. The person in hell receives no grace or mercy from God or from those in heaven. (24-25)
8. The person in hell remembers his sins and the choices he made that got him there. (25)
9. The person in Hell is there forever. The purpose of hell is punishment, not rehabilitation. (26)
10. The person in hell is helpless to keep family/friends from coming there. (27-31)
