

Easter Series, Part 3 - Pastor Will Mackey – April 24, 2011

Why are the Life, Death, and Resurrection of Jesus so Important? (Part 3)

Quick Review:

- *The Problem:* Sin brought death into humanity.
- *The Plan:* Jesus took responsibility for our sin and enabled a relationship with God to be established. As a result, eternal life returned to humanity.

Today's Study: ***The Power to Work the Plan-*** (Luke 24:1-8)

1. When Jesus rose from the dead, it enabled Him to administrate the salvation and freedom He purchased for us on the cross.

"...but because Jesus lives forever, he has a permanent priesthood. Therefore he is able to save completely those who come to God through him, because he always lives to intercede for them." (Hebrews 7:24-25)
