## What Is “Present” Heaven Like?

1. Heaven is the realm in which our Heavenly Father, His Son Jesus, the angelic creation and those who have died in the faith, live. (Rev. 4:1-6, 9-11; 5:11-12; 6:9)
2. Heaven is a real place that simultaneously exists either within or outside our own realm/dimension. It is normally invisible to those living on earth except when God permits a glimpse into it. (Rev. 4:1-2; 2Cor. 12:2-4; Acts 7:55-56)
3. Some things on the earth are a copy or shadow of things that are in Heaven. (Hebrews 8:1-5; Rev. 4:6b-7; 21:10-11, 15, 18-21; 22:1-2)
4. What are humans like in “Present” Heaven? (Rev. 6:9-11)
