Building Spiritual Muscles! (Part 2)

Consider it pure joy, my brothers, when you face trials of many kinds, because you know that the testing of your faith develops perseverance. Perseverance must finish its work so that you may be mature and complete, not lacking anything.”
(James 1:2-4)

Quick Review:

- No one is exempt.
- Joy can be experienced during trials.
- Joy comes because of what we know about God.
- Our faith must be tested in order to grow.

Today's Study:

1. Perseverance is produced when our faith is tested.

"...the testing of your faith develops perseverance."

2. Faith that learns to consistently persevere develops spiritual maturity. Spiritual maturity enables the believer to be completely equipped for whatever he/she may face.

"Perseverance must finish its work so that you may be mature and complete, not lacking anything."
