God Wants Us To Understand How Life Works!

(James 1:5-8)

1. All of us lack wisdom about something. *"If any of you lacks wisdom..."*

2. When we don't understand something in life, we should ask God about it. *"...he should ask God..."*

3. God, without holding back, will help us understand His truth. *"...who gives generously to all..."*

4. God won't give us a hard time about not knowing things. *"...to all without finding fault..."*

5. If we seek God's truth, it will be given to us. *"...and it will be given to you."*

There Is Only One Condition:

6. When we ask, we can't be double-minded. *"...he must believe and not doubt, because he who doubts...That man should not think he will receive anything from the Lord; he is a double-minded man..."*
