Moses: Helping Those Struggling With Faith! (Hebrews 11:23-29; Exodus 13-14)

Help For Those Struggling With Faith:

1. When the Lord takes us the long way to our destination it is for our own good. (Ex. 13:17-18a)
2. The Lord is faithful to His people. Learn to identify and celebrate the signs of His leadership. (Ex. 13:21-22)
3. The Lord leads in a way that helps humans see who He is and glorify Him with their lives. (Ex. 14:4)
4. Refrain from allowing emotion to lead your life. Stand firm on what is true about the Lord. Remember specific times when He has shown His faithfulness to you. (Ex. 14:10-14)
5. Obey the Lord, even if His specific leading is unprecedented. If it is still a struggle, momentarily lean on the faith of another, for obedience sake. (Ex. 14:21-22)
6. When a trying time is over, take note of the Lord's character and faithfulness and allow it to grow your awe/trust in Him. (Ex. 14:30-31)
7. Find a way to significantly record the Lord's faithfulness in your life and share it with another person so neither one of you will allow the other to forget it. (Ex. 15:1)
